ALL exhibits must be removed by 12:00 pm on Friday, September 29, 2023, except for heavy machinery which must be removed by 4:00 pm on Saturday, September 30, 2023.

Please direct all trucks to the Marshalling Yard until your equipment/products are crated and ready to be loaded.

DISMANTLING OF EXHIBITS

No dismantling or removal of exhibits or exhibit material is permitted before the close of the show.

Exhibitors are urged to remove small cartons and open cases of products from the building immediately after the close of show. While Show Management will take all reasonable security measures to safeguard small items, immediate removal of such items will minimize the possibility of loss from pilferage.

LOADING DOORS

During move-out, freight will be shipped from the show through the same doors as were used for move-in. The floor will have a material handling crew, as well as a representative from Show Management who will be checking with exhibitors to ensure a smooth and trouble-free move-out.

REMOVAL OF EXHIBIT MATERIALS

At the close of the show, where exhibitors fail to pick up or couriers refuse to accept shipments Show Management reserves the right to reroute such shipments where no disposition is provided. This material may be hauled to a warehouse and the exhibitor will be charged accordingly for this routing or handling. To simplify your move-out, we recommend the use of our Official Carriers.

LIFO EXHIBITORS OR “LAST IN, FIRST OUT”

LIFO exhibitors are simply exhibitors that are located in high traffic areas of the event load in and load out zones. These exhibitors are established as the final wave of move in slots and the first wave of move out slots and are given exclusive dock locations.
