MONTREAL MANUFACTURING  
TECHNOLOGY SHOW

**NEW!**

## SME+ App for Exhibitors

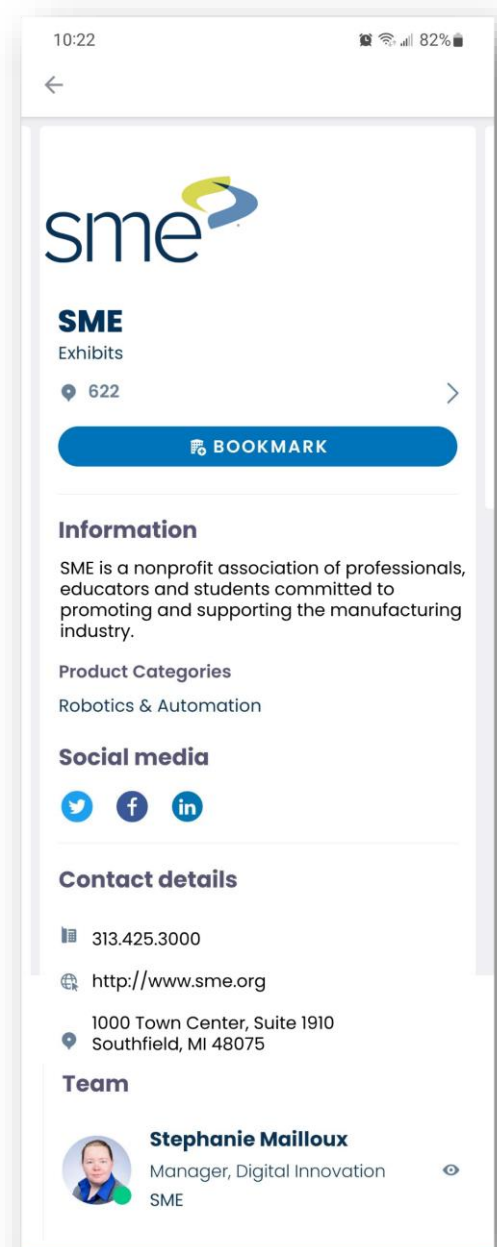

All exhibitors are included in the **official event app and digital event directory** for **MMTS 2024: SME+**

The EVENT DIRECTORY is DIGITAL –  
**ensure attendees can find your exhibit!**

### What You Need to Know:

- ✓ **Booth staff are automatically displayed in your company listing** so attendees can connect, set meetings and message them in the app.
- ✓ Booth staff are **STRONGLY** encouraged to download the SME+ app to **find key exhibiting information**, view/verify their listing, and to plan their event using the floorplan, schedule, and community networking features.
- ✓ Attendees can bookmark your exhibit listing and new products, as well as filter/sort by your product categories.
- ✓ SME+ features the **attendee list, networking recommendations, messaging, and meeting scheduling**, which will enhance your interactions with attendees.
