

Claim Your Exclusive Speaking Opportunity in the Smart Manufacturing Hub at IMTS 2022

September 12-17, 2022 | McCormick Place, Chicago

As a Platinum, Gold or Silver exhibitor at the Smart Manufacturing Experience 2022 in Pittsburgh, you are invited to participate in up to two speaking slots* in the Smart Manufacturing Hub on the IMTS exhibit floor.

Located in a high-traffic area in the North Building – Level 3 – Booth #236800, the Smart Manufacturing Hub connects you directly with IMTS show attendees looking for smart technology solutions.

Your participation in this turnkey program entitles you to the following:

Strategic Digital Outreach

SME will execute a marketing campaign utilizing targeted emails and social media to invite prospects to register for your presentation.

Pre-Registered Audience

Your presentation details will be included in IMTS event marketing materials and registration for maximum visibility before, and a built-in audience at, the event.

Lead Generation

SME will provide you with a list of all registrants and attendees of your presentation so you can follow up after the event.

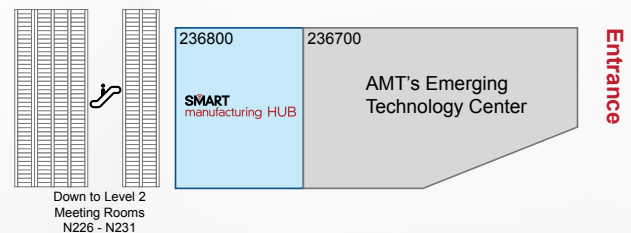

On-Site Concierge Service

SME will provide dedicated staff at IMTS to check in guests, register walk-up attendees, schedule personal meetings, and more.

Presentation Recording

Your presentation will be recorded, edited and provided to you for utilization in your future marketing campaigns.

RESERVE YOUR SPEAKING SLOT TODAY!
