Marshalling Yard West Lot

ACCESSING THE EDMONTON EXPO CENTRE LOADING DOCK

Trucks must enter through the 112 Ave and 79 Street Gates. Upon entering the gate, follow the road around the racetracks until you get to the check-in area at Door E. Once you have checked in, you will be unloaded immediately or asked to proceed to the Marshalling Yard West Lot until your heavy lift can commence.

POVs (PERSONALLY OWNED VEHICLES)

POVs should arrive directly at Edmonton EXPO Centre and should not use the marshalling yard.

If your equipment will be delivered in a privately-owned vehicle such as a car, van, or small truck, you will need to stop at the driver check-in area at Door E and they will instruct you where to unload your vehicle and park. You will be given access to the loading dock on a first come first serve basis during the allotted POV delivery time (Saturday – Monday).

POVs will have 30 minutes to unload after which time, the vehicle needs to be removed and parked.

PARKING

Parking passes are available [online](#) at the Edmonton EXPO Centre at a daily or event rate purchased.
