

## GENERAL RULES & REGULATIONS

### 1) PAYMENT OF SPACE

SME Show Management reserves the right to refuse move-in and use of space to any exhibitor who has not made full and final payment.

### 2) MOVE-IN PROCEDURE

Heavy equipment and awkward displays should be delivered on the date and time that has been specified on the official move-in schedule set out by Show Management.

### 3) MATERIAL HANDLING

Exhibitors requiring forklift services should contact GES Canada at 877-505-7767. All material-handling transactions are between the materials-handling contractor and the exhibitor. In case an exhibitor's representative is not present, Show Management reserves the right to order his equipment and/or material to be moved from the receiving door to the exhibitor's area. The charge for this service will be invoiced to the exhibitor by the official materials handling contractor.

### 4) HAND-CARRIED MATERIALS

If you do not require a forklift to move your materials to/from the show, the following has been set up for your convenience: push dollies will be available at the loading doors. A crew is available if you require help.

### 5) CRATE STORAGE

Empty containers will be picked up, stored, and returned to you as a complimentary service. After your material is uncrated and properly identified with a storage label from GES Canada, a material handling crew will pick up your crates for storage. Identify every empty case, skid, crate or carton you wish returned to your booth at the end of the show. *Exhibitors are advised that storage areas are not secured. We suggest that no valuable materials of any kind should be consigned to storage.*

Due to Fire Regulations, crates must not be stored behind your booth.

### 6) DISMANTLING OF EXHIBITS

No dismantling or removal of exhibits or exhibit material is permitted before the close of the show.
